God gives us homes to live in. Can you point to the house? God gives us homes to keep us safe and warm. Thank You, God, for giving us homes.

Bible Words

“God gives me good things”

(based on Matthew 7:11).

Say the Bible Words. Point upward while saying “God” and point to yourself while saying “me.” Repeat and invite your child to imitate your motions.

God gives me a home (*point upward*)
where I stay. (*point to self*)
I sleep in my home; (*pretend to sleep*)
then I play. (*pat hands on legs*)

Different Homes

As you drive or take a walk with your child, point out the different types of homes. Say, “There’s a home that is really big. There’s a home that is very small.” As you come to your home, stop and thank God for giving your family a home.

Dusting

While cleaning, give your child a dustcloth and simple instructions on dusting. Working side by side, talk about taking care of the home God has given your family. Stop and pray, “Thank You, God, for giving us a home.”
